Current Address:

Current Occupation:

Current Veterinarian

(address & phone number):

Family + Housing

Why are you interested in this breed? Have you familiarized yourself with the characteristics of Australian Shepherds, Huskies, and German Shepherds?

What kind of home do you live in: single family, condo, farm? Will the dog have access to a fenced yard?

Do you currently own or lease/rent your property?

If you currently rent please provide the details of your lease agreement pertaining to pets (provide landlord name and number) please be advised you are giving permission for Savage K9 to contact your landlord so please make them aware they may receive a call regarding your application.

Have you ever owned a dog and been responsible for his/her care and training entirely?

What other pets do you own now? Breed? How many?

Who will be the primary caretaker of the dog?

Does anyone in your family have known allergies to dogs?

How many hours a day will the dog be left alone?

How many adults are in the home? (relationship to you?)

Health + Wellness

Do you plan on undertaking specialized training with your puppy i.e service dog or facility dog training or doing dog sports recreationally or competitively? (i.e flyball, agility, dock diving, disc)

Do you agree to have your puppy spayed or neutered (or alternatives like Ovary Sparing or Vasectomy procedure) by the time they are 2 years old per the terms of our buying contract?

Do you have plans to feed your dog a raw or fresh food diet as opposed to kibble?

Please provide any other details about yourself and your family, why would you be the perfect match for a Savage K9 puppy?: What are your expectations for your potential future dog?
